Basic Tips for Employment During a Pandemic

Presented By: Pastor Ossie Harris

Here are a few basic tips for those impacted by the shelter-in-place and are seeking employment or in need of additional employment due to reduced job hours or pay and maybe unsure of what steps you may need to take next.

1. Update your professional resume.
2. Create and update your profile on job search sites and LinkedIn.
3. Practice going through interview questions.
4. Study for certifications or renewals.
5. Research companies you may be interested in and apply to these companies.
6. Don’t allow fear to paralyze you and keep moving.
    - Continue in prayer.
    - Reading the Word of God daily.
    - Speaking the promise and not the problem.

After watching the video, if you have any additional questions regarding this topic with job search and resume writing you may send an email to pastorharris@dayspringfamilychurch.org.
